

2017 SGIA Sustainability Recognition Award

The Specialty Graphic and Imaging Association has recognized Empire as 1 of 22 companies across the U.S. and Canada to earn SGIA's 2017 Sustainability Award as a leader in environmental responsibility. SGIA's recognition program was designed to encourage member companies to create and adopt sustainable business practices and to set an example for other companies to follow. This is the 4th time Empire has been recognized for this award.

2016 WI Family Business of the Year

Empire was nominated and won the grand award in the "Large Company" category for the WI Family Business of the Year Award. This award celebrates the accomplishments and impact that family-owned businesses have on our communities. The judges were impressed with Empire's can-do attitude, industry leadership, and dedication to innovation.

2016 WI Manufacturers and Commerce Foundation Business Friend of the Environment Award

Due to Empire's continual growth in sustainability, we were awarded the 2016 Business Friend of the Environment Award. This award is given to companies that strive in sustainability, innovative technology, and environmental leadership.

2016 WI Sustainable Business Council Earth Day Award

Sustainable Process of the Year

At Empire, we constantly seek ways to run more efficiently and reduce costs. We also strive to lessen our environmental impact associated with providing our services to customers. Because of this, the WI Sustainable Business Council has honored Empire with the 2016 Sustainable Earth Day Award.
